

Ready to clean the dust off that empty desk?

Experience = Success

Since 1968, Masterson Personnel has partnered with companies ranging in size from small to Fortune 500. We provide flexible staffing solutions from one to several hundred people to meet your long and short term staffing needs. Masterson Personnel has built a reputation of being a premier staffing service, with the ability to make things happen.

Masterson is dedicated to understanding your needs. We start by speaking with you to learn more about your office, your employees and of course your staffing needs. We find out the personalities you desire and the skills you require; we then provide you with the *Right People*[®] to meet your needs.

- Receptionist
- Secretary
- Administrative Assistant
- Mail Room
- Data Entry
- Accounting Clerk
- General Clerical
- Executive/Legal/Medical Assistant
- Office Assistant

All associate employees complete the Masterson *Right People*[®] assessments, so you can be assured the candidate sent to you has been screened and tested to meet your company's needs. Additionally, all associates complete a specialized orientation process specifically designed for and approved by you. prior to starting.
