

We help you to make your client's dreams a reality!

At Masterson, we recognize the most important asset to any company is its employees. The right sourcing and selection process is critical to identifying the perfect fit.

Understanding = Results

Masterson Personnel takes the time needed to understand the unique characteristics for success in your environment. Masterson prides itself on placing candidates that fit your company, and we have made it our business to understand the differences between the mortgage and title industries.

Right People[®] is a statistically validated selection tool that assesses a candidate's skills and personality traits. We also look at the background and previous experience an individual to make sure that he/she is a right fit for the positions that you are trying to fill:

- Title Closer/Mortgage Closers
- Title/Mortgage Assistants
- Post Closing Specialists
- Title Examiners/Abstractors
- Loan Officers
- Loan Analysts
- Loan Processors
- Loan Originators
- Data Entry Clerks
- Customer Service

With Masterson you gain exposure to both active and passive job seekers. Masterson has the experience, understanding and connections to find you the highest caliber mortgage/title professionals, ensuring *"The Right People, Right Away"*[®] every time.
